**\$100<sup>3</sup>**  
 Per signed agreement

**CUSTOMER BONUS REQUIREMENTS**

IBOs must be **Customer Qualified to earn bonuses**. The time in which customers count toward IBO qualifications varies by product type. Refer to the Order Entry Timelines to ensure customers are submitted in time to qualify toward the bonus.

ACN reserves the right to retract bonuses for customers that never get connected to the applicable service. View ACN's Compensation Plan for complete details.

**Terms and Conditions:**

**All Bonuses:** ACN reserves the right to remove or not award the bonus point or to retract the award of this promotional bonus where service cancellations occur, including when this occurs outside the promotional period or where fraud, misconduct, or if any other reasonable circumstance suggests the IBO is ineligible to receive the bonus point or promotional bonus. Customer Acquisition Bonuses are GST exclusive. IBOs must have completed the Customer Acquisition Code Accreditation and other relevant accreditation (i.e. AU Vodafone and Energy Accreditation Training), by the conclusion of the bonus period/s stated above. IBOs must be qualified and active as at the conclusion of the bonus period/s stated above. Refer to the February 2019 Compensation Plan for position qualification requirements. Customer Acquisition Bonuses will be generated for payment each Tuesday and paid to eligible IBOs by the following Tuesday. Monthly Customer Acquisition Bonuses will be generated for payment each Tuesday and paid to eligible IBOs by the following Tuesday. Refer to the February 2019 Compensation Plan for position qualification requirements.

1. Vodafone: Eligible services for the Additional Customer Bonus include new to Vodafone services that include a mobile phone or tablet excluding \$15 plan. Vodafone Mobile Promotional Bonus Point only applies to new connect Vodafone \$45, \$50, \$60 and \$80 Handset Plans, and \$30, \$45, and \$60 Tablet plans with an accompanying device over a 24 or 36 month term. Not eligible for SIM only plans. Not eligible for upgrade orders.
2. Click Energy: All services must be ordered before 11:59pm AEDT, 28 February 2019. A meter is defined as one electricity NMI referred to Click Energy via ACN approved methods. This promotion applies to new to Click Energy, credit approved residential customers.
3. MyNetFone: Services must be ordered between 1-28 February 2019 and activated before 11:59pm AEDT on 31 March 2019. Promotion applies to Unlimited plans only. Plan terms must be a minimum of 12 months. Maximum bonus of \$400 in total. Payments are calculated on 1 April 2019 and payments made the following week. Customers must accept a formal offer of service from MyNetFone in order for the IBO to qualify for this promotion.
