The nitty gritty: For personal use by approved customers only. Business customers must have an ABN/ACN. Inclusions expire after 1 month. Plan excludes Premium Services, 1223 and 1225 directory Services, 123 Ask-Us-Anything, International Roaming, content purchases, Call Screen and charges for additional data and additional standard international calls. From months 1-24, min monthly spend is \$80 (for \$80 plan) plus applicable device costs. Not for commercial or resale purposes. Services subject to device capabilities, network limitations and customer location. Offer not transferable, redeemable for cash or subject to change. 1: Discount available to existing post-pay voice customers who add as a second service a new \$45 Tablet Mobile Broadband 24 month plan ('Eligible Plan'), with a Samsung S2 Tablet device, to their account (excludes rate plan change and upgrades). Eligible Plan must be bundled. Discount applied to the Eligible Plan access fees and available for the contract period. Discount applied as a recurring monthly credit. Forfeited if you cancel, upgrade or rate plan change either of your post-paid plans. Early exit fee = \$29.25 plus applicable device costs x months left on contract. If you have more than one Tablet MBB plan on your billing account, or if you add one or more Tablet MBB plans to an account that has a Vodafone voice plan that supports sharing (up to a total maximum of 10 plans), then your monthly data inclusions will automatically be shared by all eligible services. You can opt out of sharing at any time by contacting us. Unlocking fee may apply. 2: Bonus data available to approved new and upgrading customers who sign up to a \$80 MyMix Red Data 24 month plan. Excludes Business Grow and Business Flex. Bonus data available from months 1-24 and forfeited if you cancel. Min monthly spend is \$80 (\$80 plan) plus applicable device costs. Early exit fee = 50% of min month spend x months left on contract plus applicable device costs. Early exit fee = \$40 x months left on contract plus applicable device costs. **4G:** Outside Vodafone 4G areas, broadband speeds are available in our 3G areas. Android is a product of Google Inc. 4G is available with a compatible 4G device. 4G in selected areas in Australia. **Broadband service:** Check your device is compatible to the coverage areas you will use. Actual speeds vary due to things like device capability, location and network congestion. See vodafone.com.au/coverage V09466 06.17
