**The nitty gritty:** Personal use by approved customers. All services subject to capabilities, network limitations & customer location. Inclusions expire after 1 month unless otherwise stated. Plans exclude Premium Services, 1223, & 1225 directory services, 123 Ask-Us-Anything, International Roaming, content purchases, call screen and charges for additional data and additional standard international calls. **Choose your plan, device, extras:** MPP (being Devices purchased on 12, 24 or 36 month Mobile Payment Plan) available when you connect and remain connected to an eligible Vodafone Red Plan ('Eligible Plan'). Upon cancellation, 100% of remaining MPP instalments plus any outstanding Eligible Plan charges will be applied to your next bill. Min monthly spend and T&Cs apply. **New Red Plans:** Red Plans are only available if you either purchase a phone from Vodafone outright, or under a Mobile Payment Plan ('MPP') of 12, 24 or 36 months duration ('Commitment Period'). Min monthly spend is \$30, \$40, \$50, \$60, \$80 and \$100 plans respectively. Must connect for minimum one month. Total minimum cost is one month of your plan fees plus 100% of the RRP of your chosen device. There is no Early Exit Fee on your Red Plan, however, if you choose to cancel your Red Plan, 100% of the remaining handset instalments will be applied to your next bill (you cannot have an MPP without an active Red Plan). Recurring monthly plan fee charged until the end of the month in which you notify that you wish to cancel. If you have more than one Vodafone plan that supports sharing on your billing account, the data allowances on those services will automatically combine into one pool which will be shared between eligible users (data sharing is only available on up to 10 services, a maximum of 5 of which can be voice plans). Any existing international calling allowances on your account are not shareable with this plan. You can find out which plans support sharing or you can opt-out of sharing altogether at any time by calling 1555. **Mobile Payment Plan ('MPP')** available for personal use only to approved customers who connect and remain connected to an active and eligible Vodafone Red Plan. The outright price of your chosen device (as set by Vodafone at the time of purchase) will be spread in equal instalments over your chosen commitment period (12, 24 or 36 months). Once selected, this commitment period is fixed (unless you elect to pay your total remaining balance in full in one instalment). If during your MPP commitment period you cancel your Red Plan, your MPP will also be automatically cancelled and 100% of remaining MPP instalments plus outstanding charges on your voice plan will be applied to your next bill. **SIM Only 12 Month Plans:** You must supply your own handset in order to sign up to this plan—you cannot purchase a phone from Vodafone on instalments with this plan. Early Exit Fee equals 50% of min month spend x months left on contract. After 12 month term is exhausted, voice plans will continue on month to month terms until such time as you notify that you wish to cancel. **SIM Only Month to Month Plans:** You must supply your own handset in order to sign up to this plan—you cannot purchase a phone from Vodafone on instalments with this plan. Minimum monthly spend is one month plan fees. Must connect for minimum one month. Recurring monthly plan fee charged until the end of the month in which you notify that you wish to cancel. **\$5 Roaming:** Countries subject to change, see current list: [www.vodafone.com.au/roaming](http://www.vodafone.com.au/roaming). Calls charged in per minute increments. Once 500 or 1000 minute allocation depleted, further calls to Eligible Countries deducted from any remaining Standard International Minute allowance. Fair Use Policy applies see [www.vodafone.com.au/fairuse](http://www.vodafone.com.au/fairuse). If you exhaust your standard allowance, or make a standard voice call to a country outside included countries, you will be charged on top of your min monthly spend at Pay-As-You-Go rates, see [www.vodafone.com.au/idd](http://www.vodafone.com.au/idd). **Standard International Minutes to Selected Countries:** Standard voice calls. Selected Countries and Global Minute Eligible Countries may change: [www.vodafone.com.au/internationalminutes](http://www.vodafone.com.au/internationalminutes) for current countries.
