The nitty gritty: Available when (i) a post-paid voice customer (Referrer) refers a new customer (Referee); (ii) the Referee signs up to a 12 month SIM Only or a Red Plan voice plan between 16.08.2017 – 06.03.18; (iii) once the Referee's account is activated, which can take up to 72 hours, the Referrer assists the Referee to complete a Redemption Form at vodafone.com.au/refer before 06.03.18; and (iv) when the Referrer receives the confirmation email, they press the button to confirm their referral. Excludes all business plans. Referrer and Referee cannot be the same account holder. Referrer will receive \$25 credit for each referral, up to a maximum of 10 times if they stay connected. Regardless of number of referrals, Referrer can only receive a maximum \$250 credits in total under this offer. Referees will receive \$25 credit. Discount applied as a once-off credit beginning on your next bill. If Referee cancels their plan, credit for the Referrer and Referee is forfeited. Not transferable or redeemable for cash. Not available to employees of Vodafone or affiliated stores. Subject to change.
