Getting it right Customer Acquisition Code Accreditation:

ACN IBOs have an ethical and regulatory responsibility when representing ACN telecommunications products and services. This document explains the Code and provides links to the Customer Acquisition Code Accreditation module.

In Australia, it is a compulsory requirement to complete the Customer Acquisition Code Accreditation training to be able to sell any services.

PRODUCT RESOURCES

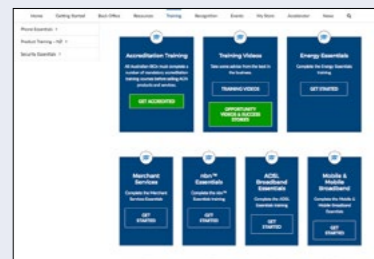

Product Accreditation:

In New Zealand, to sell 2degrees services it is mandatory to firstly complete the accreditation modules (and the Customer Acquisition Code Accreditation). These modules cover important knowledge required to promote Vodafone or Click Energy, information you need to know to help customers have a positive sign up experience, and who you should contact if or when you have queries.

Found in: Pacific Compass > Resources > Training > Accreditation > Get Accredited
