

Commission Payments

ACN pays commissions approximately two-and-a-half months from the end of the billing month.

For example, commissions are paid on the Monday following the third Friday of July for customers who are billed in April. This allows time for billing and commission processing.

All paperwork necessary for IBO commission qualifications must be received by ACN no later than 2pm on the first Friday of the month.

Commission payments are generated on the third Friday of every month and lodged with your financial institution the following Monday.
