

## Commission Payments

ACN pays commissions approximately two-and-a-half months from the end of the billing month.

For example, commissions are paid on the Monday following the third Friday of July for customers who are billed in April. This allows time for billing and commission processing.

All paperwork necessary for IBO commission qualifications must be received by ACN no later than 2pm on the first Friday of the month.

Commission payments are generated on the third Friday of every month and lodged with your financial institution the following Monday.

Commission payments for 2021 will be transferred to your financial institution on the following dates:

## CAB Payments

Customer Qualified IBO payments are generated every Friday and sent to the bank as a direct deposit each Monday. These payments are made strictly after the 14 days cooling off period for qualifying IBOs.

All paperwork necessary for your CAB qualifications (such as IBO Agreements) must be received by ACN no later than Friday at 2pm (Sydney time) so that CAB payments can be transferred to your financial institution on the following Monday.

**NOTE: If Monday happens to be a holiday, then CAB payments will be lodged the following business day.**
