

# CCTV - Closed Circuit Television

CCTV from ADT helps add another layer of security to your home or business.

## Why ADT CCTV?

- Peace of mind
- Increased safety and security
- Deters intruders
- Ability to record live
- Check in anytime
- All from an app

CCTV is a great way of enhancing your security. It lets you keep a watchful eye on your home or business and loved ones and acts as a visual deterrent to potential intruders.

Even when you're away from home your CCTV system is still active and recording.

CCTV can be setup for both indoor and outdoor so you gain more insight into what has transpired on your premises.
