Why Businesses Choose Vonex

One Stop Telco Shop

Vonex does it all! Save local businesses time and money with one provider for all their phone, internet, mobile, office cabling and even security and surveillance needs.

Customised Solutions

We tailor our services to suit the individual requirements of each business and can configure everything off-site to ensure easy plug and play installation.

Always on

Vonex is an ASX-listed, multi-award-winning telco specialising in effective phone systems, superfast internet solutions and great value mobile plans that keep smart businesses connected wherever they go, however they grow.

Scalable Services

Our technology is flexible and scalable meaning that our systems can cost-effectively grow and change as a business develops.

Ultimate Reliability

We've got back up! Even if a business' power and internet go down, their phones can be immediately diverted to other lines, other offices or mobiles to ensure a business is stays 'always on'.
