21 SEPTEMBER - SYDNEY

## MOTIVATION

**Come ready to be invigorated.** Soak in the words of leaders and achievers who've navigated your same path successfully, and want you to find your way, too.

## RECOGNITION

**Come ready to celebrate.** Hear the game plan, learnings, and advice from IBOs just like you who've risen to Regional Vice President. Elevate ideas that make anything possible at ACN.

## NETWORKING

**Come ready to communicate.** Share ideas with those who've blazed the trail before you and help inspire those just setting out on their journeys.

## TRAINING

**Come ready to grow.** Your education never stops. Events bring ideas born in the field to IBOs like you, who add them to their processes and find even more success.
