

## Information About The Service

### The Service

ACN's NBN and Fixed Wireless Broadband Service delivers high-speed broadband over Fibre Optic and Fixed Wireless Infrastructure to the Network Boundary Point of your premises.

### Bundling requirements

We do not require that you bundle this service with any other service.

### Equipment

NBN Broadband Plans come standard with a modem charged at \$29.00 and \$13.95 for delivery.

### Installation

Up to two technicians may be required to install your ACN NBN Service. ACN reserves the right to charge for non-standard installations. To have the ACN NBN service installed, you must obtain permission from the owner of the property and be over 18 years of age.

### Minimum term

There is a 12 month term with these plans, however you can move to another plan within your minimum term without penalty.

### Limitations and qualifications

NBN Fibre and Fixed Wireless Broadband Plans are available to residential and small business users. ACN's Acceptable Use Policy applies.

NBN Fibre or Fixed Wireless may not be available in all areas or premises. There may be technical or commercial reasons that affect our ability to connect a service at your address. Please visit the ACN website to check your service availability.

### Broadband speeds

ACN offers a choice of 3 NBN connection speeds: up to 12/1 Mbps, 25/5 Mbps and 100/40 Mbps\*.

\*The download and upload speeds stated are the maximum that each type of link can deliver. ACN makes no guarantees of any kind on the actual speeds that will be achieved by any individual user as we rely on our supplier to ensure services are provisioned to deliver optimum speeds at all times. Speeds that customers experience on these services are affected by a number of factors such as the content being downloaded by the end-user, your distance from an exchange, the network connecting the exchange, the hardware, software and software configuration. Devices connected by Wi-Fi™ may experience slower speeds than those connected by Ethernet cable.

## Information About Pricing

### Minimum monthly charge

The minimum monthly charge for each NBN Broadband plan is specified in the table on page 2.

### Early termination fee (ETF)

An Early Termination Fee (ETF) will apply if you cancel or transfer your NBN service within your minimum agreement term. The ETF is \$15.00 for each full and partial remaining month of the remainder of the agreement term. The maximum ETF is \$180.00.

### Excess usage charges

Once your allocated data allowance has been used the service will be shaped to 256kbps for the rest of the monthly billing cycle. No excess usage charges will apply.

### Connection fee

A once-off connection fee of \$49.00 applies to customers activating a new Fibre or Fixed Wireless Broadband service with ACN.

### Additional data

Additional data blocks are not available for your NBN service. Speed shaping to 256kbps will apply when you go over your data limit.

### Additional charges

If you choose:	Charge
To receive paper invoices via Australia Post	\$2.00 per paper invoice received (there is no charge if you receive your invoice via email)
